

# FMS PAPUA NEW GUINEA

**Delivering the best people & services to keep your mine running.**

While our primary coordination hub is supported out of Head Office Mackay, FMS Group Papua New Guinea maintains a robust in-country presence to support administration functions and compliance with local Papua New Guinea regulations.

FMS Group's Papua New Guinea operations is a local PNG company that supplies qualified trade labour and specialist maintenance solutions to mine sites throughout Papua New Guinea. We're a provider of choice for leading national and multinational clients operating in the mining, and oil and gas industries. Our knowledgeable workforce and proven expertise ensure we achieve successful and high quality outcomes for our clients, every time.

Our full range of capabilities encompasses the provision of on-site specialist trades, as well as project and shutdown maintenance solutions. We pride ourselves on our ability to understand the specific needs of our clients, and we're able to mobilise the best people and teams on-site efficiently and cost-effectively. We offer a full turnkey solution in regards to ex-pat workers, managing all facets of onboarding including visa arrangements.

FMS Group was first established in 2006 and has experienced strong and steady growth to become a major maintenance and services provider in Australasia and the Pacific.
